How is your abundance? When you chose to be immortal you are more alive and prosperous.

Being immortal may seem like a choice that only affects us in the distant future, but really it is something that affects my choices in the now.

- What shall I work on?
- What are my priorities today?
- How much will I charge?
- What will I say to myself if someone says "no" to me?
- How will I keep in integrity with money?
- What thoughts shall I allow in my mind?
