This Wednesday [Sandbox gathering](#) we learn about Homeopathy for healing without potentially dangerous drugs with Miah Kim . Are you tired of paying high prices at the pharmacy? Do you get too many side effects from multiple drugs? Would you like to try a more natural approach that uses the body's own healing abilities?

Homeopathy works by stimulating the body's own natural ability to heal itself. Its basic principles date back to Hippocrates and were further developed almost two hundred years ago by Samuel Hahnemann, a German physician. Homeopathic remedies, which are energized preparations derived from natural substances like herbs, minerals and animal products, provoke a healing response in an individual's vital force, treating the root causes of illnesses which may include emotional conditions.

We will also go over the cold and flu remedies that are helpful for this winter season.

Miah Kim is certified by the Caduceus Institute of classical homeopathy, a professional-level training program in homeopathy.

You can reach Miah Kim at Classical Homeopath 571-377-9930 or [miah\\_kim \(at\) yahoo.com](mailto:miah_kim@yahoo.com)

The workshop begins after dinner at 8pm. I invite you to join us, though as always what ever choice you make you will be honored in.
