This Wednesday [Sandbox gathering](#) we do an erotic fire circle dance and drum. With all the talk on the lists about the Beltane fire circle I thought it would be fun to do an fire circle dance and drumming session. The fire will be in the basement so no need to worry about the cold outside. And if you chose to dance naked that is fine too. And if you have a drum and want to help with the beat bring it along!

There will be a short demo on some erotic dance moves then we will dim the lights and let the glow of the fire and the sound of the drums lead you into a sacred fire dance. A chance to transcend our regular day to day existence and connect with ancient spirits of the fire. If you have dancing shawls with bells or other dance clothes bring them along. I will have a couple of items to share.

Passion, desire to play and have fun are more important than dancing experience.

The dancing begins after dinner at 8pm. I invite you to join us, though as always what ever choice you make you will be honored in.
