How the Matrix is kept strong in your subconscious mind.

This YouTube documentary juxtaposes pop culture images of consumption and bubble-gum images of sex and materialism, with the brutality of war from which the powers that be wishes to distract the populace.

A TV interview of Aldous Huxley offers insight into the inevitable role television would play in our lives. It is possibly one of the most importantly prophetic interviews in history,? and integration of contemporary news clips only emphasizes his point further.

This video shows the programming taken from just one day of prime time TV
