Mantra can help you stay positive when things appear to be falling apart around you. This video by [Harijiwan Bhajan](#) dispels some of the concerns that people may have about using mantra and includes a short talk by [Yogi](#) on practicing [mantras](#).

The mantra he mentions ( "[Ek Ong Kar Sat Gur Prasad](#)" ) is designed for the Aquarian Age, and chanting this mantra will amplify the mind. It can help you manifest your positive thoughts or negative ones. But don't worry - the negative current is there to remind us of the positive current, so if you find yourself becoming negative just get back to the positive!
