My house is a 1962 two level with a colorful interior and a wonderful garden. There are many places to cuddle up, great conversation circles, or to dance. There are 3 bedrooms, 2 full bathrooms, remodeled kitchen and beautifully landscaped front and back yards.

There's also an enclosed flower garden with a goldfish pond. It's romantically lighted for a quiet, intimate place outside. It is a quiet and safe neighborhood with good schools. It is within minutes of I-270 and Red Line Metro. Driveway, plus plenty of free street parking.
