This Wednesday gathering we learn "Everything you every wanted to know about money but were afraid to ask." with Joe Dunn

There are ways to save wisely and protect your financial assets for you and your loved ones. Find out how to effectively navigate your investments to be safe and grow during this extremely treacherous time with very low bank interest rates and incredibly volatile stock and bond markets. Learn how you can invest to avoid taxes, guarantee lifetime income and effectively plan for your retirement years.

Joe Dunn has over 20 years in the Financial Services Industry. He has an MBA and a BS in Civil Engineering. He is licensed to sell investments and insurances. As regards his personal life he has been involved with various forms of Spiritual and Transformational Work for over 25 years. You can reach Joe at joedunnfinancial (at) hotmail.com
