In case you still wonder what Cuddle Party is all about:

A Cuddle Party is a three and a half hour communication workshop centered around touch and affection that teaches adults new ways to connect with one another. It is a drug/alcohol free event which is organized/hosted by respectful, caring, dedicated, highly-trained individuals and is designed to meet the human need for nurturing, non-sexual touch. A Cuddle Party meets this need by: creating a safe environment to explore non-sexual touch, addressing concerns, encouraging clear communication, fully answering any questions and honoring a persons right to free choice at all times.

Besides, it's just plain fun! Where else can you come as you are, in the company of p.j. clad adults and walk away (or float away) feeling like you just spent a weekend at a relaxing retreat? Well, that's my experience of it

:)

Please also, pass this message on if you feel so inclined, to those in your circles. The facilitator is the wonderful Edie and her numbers are 215-249-9190 and cell 215-738-8668.
