This Wednesday Gathering we learn how to reach our limitless potential in the now with Matthew Horne.

His book "All We Have is NOW," is a guide to embracing your power to create your life, your way, NOW! The premise is there are no perfect moments in life except the one's which we create. Matthew's belief is that every human being is a creator at their core, and life simply will not do things for you that you've been empowered to create for yourself. After reading Matthew C. Horne's, "All We have is NOW," the double dutch approach to life will be negated by the reality that we have the power to live our dreams, desires and inner-pictures of destiny, NOW!

"All We Have Is NOW...is a powerful guide which inspires us to rise to the occasion of being the great, creative and unstoppable beings that we were originally designed to be...offering valuable insights on how to leverage and build on the most precious moment set before us...NOW!" - Les Brown

Matthew C. Horne, success genius, motivational speaker and author, presents speeches filled with inspiration, hope and direction for everyone in attendance. His presentations radiate positive energy, inspiration, passion, and great audience participation!

His thought provoking and insightful speeches introduce people to facets of themselves they never knew existed.

He is all about introducing you to your limitless possibilities and enabling you to live your best life possible through connecting with your dreams.

Matthew C. Horne, motivational speaker and author, is the president of Optimum Success International, a speaking and publishing company located in the metropolitan Washington, DC area. He is an international authority on Maximizing Human Potential. Matthew is the author of "The Universe Is Inviting You In," and the newly released book "All We Have Is NOW," which are both publicly endorsed by legendary motivational speaker Les Brown.

Growing up, Matthew's ultimate vision for his life was to play basketball in the NBA. He positioned himself to live this reality through obtaining a full-athletic scholarship to play Division I basketball in college. Much to his surprise destiny revealed his true calling during his collegiate years, as he discovered a passion for motivational speaking. Matthew was told by his professors he would never make it as an English major, and to the astonishment of everyone he not only obtained a Bachelor of Arts Degree in English, but was offered his first book contract before he graduated in his last semester of college.

Matthew's message is one of creating your own reality according your vivid destiny pictures. Matthew empowers audiences live their unique truth, independent of the opinions of others. Matthew's message is quickly spanning the globe through his books, audios and motivational speeches. He is the co-host of the television show "How To Survive In A Bad Economy." He has also been featured on the legendary radio station WOL with his weekly minute motivational segments. Matthew is also a regular contributor the internet's leading motivational ezine: Let's Talk Motivation Matthew will bring any event to life! Matthew is available for speeches, radio and television interviews, and book signings. All who encounter Matthew C. Horne will leave with a heightened awareness of their limitless possibilities, and be positioned to live their Best Life Possible.
