This a great sex positive event in DC - covers sacred sexuality, BDSM, transgender, poly and more. I have been to many Dark Odyssey event and I highly recommend it. It has sessions on sacred sexuality, BDSM, transgender, tantra, poly. Plus there are several play spaces - a sex play room, very well equipped dungeon and parties. All the people I have met there have been respectful and open. It is like going to an erotic candy store but if you don't like certain favors no one is going to force you to try them. And you will not be judged if all you like to do is suck on large mints and nothing else. Many Sandboxer have been to past DO events, so it is likely you will see some people you know. You might think of it as Beltane in a hotel.
