This video asks:

"Have you seen any dead birds or fish in YOUR area? Can you film it for YouTube? Or is the Machine the only source for this story? "The only thing worse than this being true ... is if this is a lie." - Chad Lilly

Food for thought...

Lots of stuff going on with all this. I'm sensing it's one piece in a large puzzle that is being fabricated or at least "created" in some cases.

Check out this video, there are several other ones like it surfacing. Large amounts of people are starting to ask questions. The truth is not coming from the main stream media.
