What the site says:

"The PEX Summer Festival is a multi-faceted, multi-dimensional music and arts celebration! This will be a place for harmony amongst joyful adventurers in self-exploration. On July 4th weekend, we are looking forward to our largest collaborative effort to date in the gathering of like minds and compassionate spirits. We will be uniting for three days and nights of amazing music, art, education, dance, participatory shared experience and conscious connection on 200 acres of private land, just one hour south of Philadelphia.
