This Wednesday [Sandbox gathering](#) we will watch the hilarious comedy "I Heart Huckabees". It is one of the most philosophical movies ever made, with an amazing cast including Dustin Hoffman, Lily Tomlin, Jason Schwartzman, Jude Law and Naomi Watts.

It is about the story of a man who is determined to solve the coincidence of seeing the same conspicuous stranger three times in a day. He hires a pair of existentialist detectives, who insist on spying on his everyday life while sharing their views on life and the nature of the universe. More info and view trailer at

After the movie Randy will lead a discussion on the meaning of life and the universe we live in .

Randy Goldberg trained in Deep Memory Process with Jungian expert and author Rodger Woolger. Randy is a former Yoga monk, a Craniosacral therapist, a world famous astrologer interviewed by the Washington Post and by CNN. He facilitates Family Constellation therapy for individuals and groups.
