We will be playing with paint this Saturday at my house in Rockville MD

It will be fun. You don't need any experience in painting - just show u

be prepared to experiment! The last time was a lot of fun!

*** What is Free the Artist Within?**

I like to paint and write poems. I don't seem to get around to it

often. This group is for people who want to create art of some form or

another but who have some internal blocks to doing it regularly.

For more information see
